TurboChef – Full Power and Full Coverage

TurboChef is a proven platform in speed cooking with a two-year warranty and extensive service network. Specializing in rapid cooking technology, TurboChef has redefined cooking efficiency with the Sota which is a versatile, user friendly, and energy-saving oven. TurboChef is devoted to innovation and performance, making them a leader in the rapid-cooking industry.

TurboChef's Sota Oven

- The Sota is a full featured oven with a small footprint, only 16" W x 25" D!
- Full featured with eight programmable cooking stages, including programmable top and bottom impingement, and programmable two magnetrons (microwave), USB programmability and certified for vent-less operation.
- This full power 30 Amp oven uses no more energy than other 20 Amp ovens.
- The oven's power allows quick warm-up time and immediate recovery between cook cycles.
- This oven has the 'horsepower' for any menu expansion.

TurboChef's Full Coverage Service

- TurboChef has over 120,000 ovens in service, across North America.
- The TurboChef authorized service agents specialize in and are experienced with TurboChef ovens. This experience means fast service and high first-time fix-rate.
- Service agents have parts and are required to receive ongoing rigorous interactive education.

TurboChef is the choice of many of the world's leading brands - Subway, Starbucks, Dunkin' Donuts, 7-Eleven, and more.

Why choose Merrychef & Manitowoc Foodservice?

Partnership - Manitowoc Foodservice understands that when its customers succeed then Manitowoc Foodservice is also successful. Thus for a global company such as Manitowoc Foodservice having open, honest communication with its customers worldwide is critical for providing the best possible solutions. Manitowoc Foodservice understands its customers and provides innovations and solutions tailored for their current needs and future growth. Manitowoc Foodservice is not in the business of selling speed ovens, it is in the business of providing solutions to its partners.
